SERVICES INCLUDED IN YOUR ORTHODONTIC INVESTMENT

- Most advanced technology & products... including light cure adhesives so patient does not sit extra time for adhesive to bond to teeth.
- All visits are included. Our visits range from 10 days to 6 weeks- depending on the type of treatment... *emergency visits are also included.
- We do not charge for bracket/wire breakage unless it becomes excessive. Breakage only sets patient back in treatment time- making them in braces longer. *there are some exceptions to certain appliances and in certain instances.
- Brushing habits are always observed. Patients and parents are always notified if brushing habits are a 3 or below on a scale of 1 to 5.
- At our initial braces appointments we give our patients an informational bag that includes do's and don'ts as well as a starter hygiene kit.
- Different types of braces are available to the patient- i.e.: ceramic/clear (upper only), silver or silver with colors that are changeable.
- Patients are given one set of retainers and one year of retainer visit's are included in your orthodontic investment.
